

AWLA's corporate morning of service program is a great way for your team to volunteer, build connection, and invest in your community.

Groups have the unique opportunity to experience firsthand what it takes every day to care for the thousands of animals the League helps each year.

HOW IT WORKS

Your company supports a day of shelter animal care by providing up to 5 **people** and a **contribution** to cover the cost of one day of animal care.

AWLA houses an average of 60 animals per day!

Cost of care is roughly \$25 per animal per day.

\$1,500 contribution to cover one day of animal care.

This covers just the basics of care. AWLA provides far more such as vaccinations, spay and neuters, other medical care, enrichment, and behavior training.

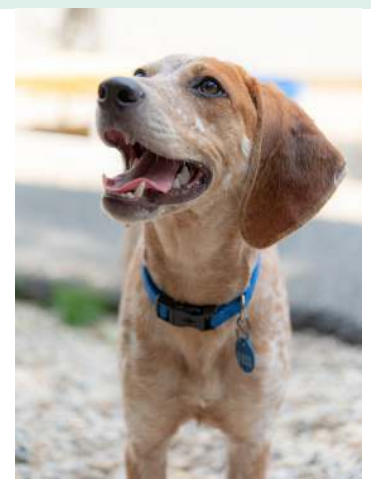

AWLA will provide your team with a customized volunteer experience to truly make a difference in the lives of animals in need by working alongside our Animal Care Techs (ACTs) to medicate and feed the animals, clean their kennels (we like to think of it as room service), do laundry, wash food bowls, and prep for the day ahead.

JOIN AWLA'S CORPORATE ANIMAL CARE CREW

AWLA offers twelve Corporate Crew opportunities per year.

Each opportunity includes volunteering, a behind-the-scenes tour of the shelter, and cuddles with an adoptable animal.

Contact hdickman@awla.org to join the crew today!
